  - 2) April 2019 Treasurer's Report
  - 3) Committee Reports
    - i. Competition
    - ii. Community
  - 4) Membership Report
- D. Administration**
- 1) Merchandise Update – we are looking at July to review winter clothing inventory to huddle and see interest from members to see if we need to place a winter clothing order.
  - 2) Review of actionable items from April 2019 Club Email
    - i. Voting Items Results
      1. *Donations* – there was not an overwhelming response to the club email on actionable items, but there were (5) 'yes' votes for the presented donations (Raven Rock Ramble, Ride for a Reason, CARA Ride for their Lives)
      2. *Facebook Group being Members Only or Public* – There were (5) yes votes to make the Facebook Group being a public group. Some of the concerns that were addressed in the email is the type of conversation on the club page. The club officers will put guidelines on the page to keep the dialog on the page to posting rides, club business will not be posted and discussed; anything that will be deleted will be addressed directly with the individual posting. The purpose of the open group is to generate enthusiasm among the cycling community and improve the rides. We want the riding information to be accessible to riders in the area, and the enthusiasm for the different types of rides. James

Brown brought the item (the group will be a public group, which you have to request to join, and still be vetted for entrance based on cycling, relation to the club, and if not a member, James will instruct them how to become a member and if they pass the sniff test, approve their requires) to a vote, and it was approved by members present. There was no opposition at the meeting, nor was there any opposition in return from the club email.

3. *Website* – we need to make the website more user friendly. The officers will meet up with Robert to see a way ahead to make becoming a club member more user friendly. We are having more and more potential members say they are having a lot of difficulty becoming a member online.

#### **E. Other Business**

- 1) CCA Time Trial Update
  - i. Date – June 29<sup>th</sup> with a prep day of June 28<sup>th</sup>.
  - ii. Registration is open, and Jim Smalley (Mountain Events) will handle online registration, and onsite registration. Registration will be \$35, and the net per rider is approximately \$15 (timing, insurance, USAC fees etc). The race is sanctioned and permitted – everything out-facing is ready to go, the internal work to finalize everything is needed (volunteers, course marshals)
  - iii. Costs to the Club – permits, porta johns, Facebook boosts – club needs to be presented with an itemized list of expenses for the funding the club is to provide.
  - iv. Route – James has published the route and it is approved for the race.
- 2) Proposed donation for \$100 for Scotland County Habitat for Humanity Ride – the item was brought to a vote and approved by members present. There was no opposition to the vote.
- 3) Lisette Lugo and Jen Doyle marshaled Ribbon Walk in April. It was mentioned that events like this (athletic event and local) could be potentially good for recruiting and a small donation.
- 4) Lock box at Horne Brothers – there was good feedback in the club email about putting a lock box (with Horne Brothers permission) with basic supplies. We as a club need to recognize Horne Brothers for all their support. James is going to write a letter to the editor for Fayetteville Observer thanking them for support, as well as give them a gift or some sort at Christmas time. We need to talk to Horne Brothers before we bring it to a vote. Mike Thomas and James Brown suggested that when we meet on June 28<sup>th</sup> to clean the TT course we clean the Horne Brothers parking lot as well.
- 5) Bike Name Plates – Steve Carlson brought a suggestion from Tucson – a small laminated name tag with the club information and rider information to be zip tied to the seat rails. Something to think about to include with the club membership.

F. **Adjournment** – The meeting was adjourned at 8:14 PM. The next club meeting will be June 3 at 7:00 PM at the Hilton Garden Inn.

Pretty quiet month of April for the Race Team. Andrew Benbow competed in (2) Triad Wednesday mountain bike races and rode pretty well. Greg Beasley continues to race very well in the CCORS Single Speed Cat 2 Category with a podium finish on Camp Lejeune and is in the running for series podium. Lee Nance is continually improving and also landed on the podium on Camp Lejeune, and new teammate Elvin Cruz raced on Camp Lejeune as well. Jimmy Covas raced very well at USAT Duathlon National championships getting a podium finish in a soggy day. Terry Slack raced both the Xterra Myrtle Beach Triathlon at the Hulk in Myrtle Beach, and the White Lake Half Ironman, where he found out he won his category the next day!

The start of May brought another (2) Triad Wednesday Mountain Bike races for Andrew and the Uwharrie Gravel Grinder had (6) teammates compete, where (4) of the top (8) overall were from the team. Nicole Benbow won the women's open division; Chris Herring and Elvin Cruz took second and third in their categories, and Andrew podiumed in his Category. George Hatcher and Lee Nance also finished the 25 mile race.
