## Club Membership Application Waiver

I know that participating in and volunteering at club races, training events, other riding activities, and voluntary support of said activities is potentially hazardous. I will not participate in club events I am not properly trained or medically capable of safely completing. I assume all risks associated with bicycling and volunteering in club events including but not limited to falls, contact with other participants; traffic; the effects of the weather, including high heat and humidity; and the conditions of roads and traffic. I am aware that athletic activities are potentially dangerous, and understand and accept the risks of participating. Having read this waiver and knowing the facts, and in consideration of your acceptance of my application for membership, I for myself and anyone entitled to act on my behalf, waive and release the Cross Creek Cycling Club (C4), its officers and members, all sponsors, and all their representatives and successors from all claims or liabilities of any kind arising out of my participation in club activities even though the liability may arise out of negligence or carelessness on the part of the persons named in this waiver. Signing this waiver must be done prior to submission of membership application. **All current and new members are required to review the Club Ride Rules. Failure to review the rules does not negate the responsibility to follow them.** Membership term is one year from date signed. Renewals must be executed on a new membership application form.
